Easyfix drilling machine

1. Ownership

The rental object remains the property of the lessor for the duration of the rental contract.

2. Use

The rented items may only be used as intended - also for safety reasons. All safety devices and safety regulations must be observed.

3. Handover

The Lessor shall be responsible for transporting the rented item to the Lessee. All rental equipment shall be in perfect, operationally safe condition at the start of the rental period. The hirer must check the completeness of the items and accessories when taking over the rental item.

4. Loss

In the event of loss of the rental item or accessories, or if accessories have been rendered unusable by the hirer, the relevant parts will be charged at list price, unless the damage is due to normal wear and tear.

5. Damage

The hirer is liable for all damage to the rental item caused by intent, negligence, improper use or other circumstances for which he is responsible (e.g. use by unauthorised persons).

The lessee is obliged to notify the lessor of any damage to the rental item, regardless of whether this damage is due to natural wear and tear or is the responsibility of the lessor. The use of a damaged or unsafe rental item is not permitted. The rented item may not be opened or repaired by the hirer or a third party. All repairs must be carried out by the lessor, or a person or company authorised by the lessor. The Lessor shall provide the Lessee with another, corresponding rental item for the duration of the repair, insofar as this is possible. The Hirer shall not be exempt from paying the rent for the duration of the repair, nor in the event of loss of the rented item if the Hirer is responsible for the damage or loss. The Hirer shall bear the repair costs if the Hirer is responsible for the damage to the rented item.

6. Liability

The Hirer is liable for the loss of the rental item if the loss is due to circumstances for which the Hirer is responsible. The Hirer must store the rented item carefully and, in particular secure it against theft.

The Rental Firm accepts no liability for damage caused to the Hirer, to a third party or to an object by the rental object if the rental object was not used as intended, not used competently or not used properly.

7. Return of the rental item

The Lessee shall be responsible for transporting the rental item back to the Lessor. He shall also bear the transport risk. Dismantling and return transport shall in all cases be at the Hirer's risk.

Unless otherwise agreed, the rented item shall be returned to the following address:

Tannen-Paradies GmbH
Hartheimer Street 4
79427 Eschbach
GERMANY

If the rental object is not returned within the agreed period, the rental period shall be automatically extended by one year.

8. Cancellation by the lessor

The landlord is entitled to terminate the contract without notice if the tenant makes improper use of the rented property or leaves the rented property to third parties without the landlord's written consent or fails to pay rent in arrears within 30 days despite a written request for payment.

In the event of cancellation of the rental agreement without notice, the landlord has the right to reclaim the rental object immediately. If the rented item is not returned within 30 days, the lessor has the right to have the rented item collected at the lessee's expense.

9. Severability clause

Should individual provisions of this contract be or become invalid, the contract shall remain valid in accordance with the remaining provisions.

10. Other provisions

Deviating agreements or additions to the contract must be made in writing.

11. Applicable law, place of fulfilment and place of jurisdiction

This contract is subject to the law of the Federal Republic of Germany.

The place of fulfilment for all services arising from or in connection with the contract is the registered office of the lessor or the registered office of its branch office which concluded the contract.

The place of jurisdiction is the registered office of the lessor.
